

# OFFICIAL SCHEDULE

Sunday, August 7, 2022.

Brackets may change at any time.

Weigh ins open at 8:15 AM.

Competitors DO NOT need to wear their gi to weigh in.

Competitors may weigh in as soon as weigh ins open, but must be weighed in AT LEAST 1 HOUR BEFORE their scheduled start time.

We combine divisions within 1 birth year if necessary to form an adequate division, which is why you might see that your child's birth year may have changed.

Other than that, please DOUBLE CHECK that your child's information is correct, and send us an email at [dreambjj@gmail.com](mailto:dreambjj@gmail.com) if any changes need to be made.

Mats are not assigned. They will be chosen by whichever mat is available at the time the ring coordinator brings them to the competition area.

In mixed age divisions (2014 & 2015, for example), the match length will be determined by whatever the bracket is labeled. Typically, the bracket will either be labeled with the oldest competitor or the most common age in that division.
