

OFFICIAL DREAM SCHEDULE

April 27, 2024

Doors and weigh ins open at 8:15 AM.

Competitors DO NOT need to wear their gi to weigh in.

Please WEIGH YOUR CHILD and make sure all of their information is correct. Email dreambjj@gmail.com if any changes need to be made.

Competitors may weigh in as soon as weigh ins open, but must be weighed in AT LEAST 1 HOUR BEFORE their scheduled start time.

We combine divisions within 1 birth year (younger or older) if necessary to form an adequate division, which is why you might see that your child may be in a different age division. Brackets may change at any time.

In mixed age divisions (age 7 & 8, for example), the scheduled time and match length will be determined by whatever the bracket is labeled. Typically, the bracket will either be labeled with the oldest competitor or the most common age in that division.

Mats are not assigned. They will be chosen by whichever mat is available at the time the ring coordinator brings them to the competition area.
